Who are we?

At B&K International, we excel in the realm of skincare. With a commitment to innovation, quality, and effectiveness, we have established ourselves as a fastest-growing manufacturer in the skincare industry. Our journey is a pursuit of excellence, from innovative formulations to eco-conscious packaging, all designed to prioritize your skincare needs.

What we do?

At B&K International, we're always fueled up to meet the ever-growing needs of the global skincare landscape. We specialize in manufacturing innovative skincare products that blend flawlessly with the forces of nature, science, and technology. While assuring the manufacturing of non-toxic & cruelty-free products, we embrace the beauty of diversity, & our offerings cater to the needs of various skin types, concerns, and tones. From enriching cleansers to revitalizing serums, everything at B&K International is carefully crafted to offer exceptional beauty transformations.

Our Brands

B&K International isn't just an ordinary skincare manufacturer but also offers its revolutionary skincare products directly to consumers via in-house brands, each catering to diverse preferences. POSCH CARE, our flagship brand, epitomizes subtlety and sophistication, offering a premium line of products that not only enhance your skin but also embody values of cruelty-free and non-toxic skincare. SWANSI, on the other hand, brings forth a refreshing blend of simplicity and affordability, appealing to those who seek quality without compromise – a brand that proudly upholds the gold values of cruelty-free and non-toxic product lines. And then, there's BAE, a vibrant and dynamic brand that seamlessly carries quality with the spirit of today's generation, offering a playful, gentle yet effective approach to skincare. B&K International weaves a tapestry of choices, ensuring everyone finds their perfect fit while indulging in ethical, effective, and safe skin care experiences.

POSCH

C A R E

Posch Care is a brand from B&K International. We are an umbrella of brands focused on advanced research based functional beauty. Our team specializes in material chemistry and innovative product development, we take pride in the successful provision of toxic free and safe beauty products.

Posch Care started with a vision to bring high-quality innovative skin and hair care products that are nature sourced, potently effective, gentle and safe for all skin types. Our brand combines scientific expertise with a luxurious approach, providing a professional skincare experience that sets new standards in the industry. Our products are carefully developed by chemists and researchers, drawing on extensive research to ensure their effectiveness and innovation.

At Posch Care, our commitment to excellence goes beyond just skincare products. We are dedicated to sustainability and environmental responsibility. Our packaging is eco-friendly, and we strive to minimize our carbon footprint at every step of the production process.

Join us on our journey to radiant and healthy skin, where science meets luxury, and where our global community comes together to celebrate beauty in all its forms.

SERUMS

In the alchemy of our skincare, our lab-tested serums work like magic on the skin. They emerge as potent elixirs, bridging nature's wisdom and scientific innovation. These serums unleash the full potential of the skin, transforming and boosting radiance, yielding results that truly speak for themselves.

FACE WASHES

Rejuvenate your skin with face washes that are more than just cleansing agents. Our pH-balanced formulas are the result of extensive testing designed to revitalize and refresh your face. They provide transformative cleansing that gently purifies, and removes impurities while nurturing skin's natural moisture. Experience an extraordinary skincare with our innovative collection, a testament to the artistry of enhancing your daily ritual.

MOISTURIZERS

Our moisturizers are a sublime treat for all skin types, delivering luxurious hydration that leaves the skin pampered and refreshed. With their innovative formulation and effectiveness, our moisturizers turn into a daily to-do for our customers.

SUNSCREEN

Posch Care Sunscreen offers superior sun protection with added anti-aging benefits through its high SPF 50+ formula. This advanced sunscreen is designed to shield skin from harmful UV rays, reducing the risk of sunburn and skin damage. Its ultra-light and non-greasy texture make it easy to apply, ensuring a comfortable and hassle-free experience. Whether lounging on the beach or out and about in the sun, Posch Care Sunscreen provides reliable protection to the skin, keeping it healthy, hydrated & moisturized.

HAIR OILS

Our hair oils are crafted to nourish and revitalize your locks. Infused with potent ingredients, they restore shine, strength, and vitality, leaving you with lustrous, healthy tresses. Enriched with the goodness of organic herbs and botanical extracts, these non-greasy, fragrance-free hair oils exceptionally repair any hair damage by penetrating deep into the scalp. They increase hair growth, strengthen follicles, and restore natural shine, and make every day a great hair day.

CARRIER OILS

When you're diluting essential oils, concocting unique blends, or simply seeking a pure and gentle moisturizer, these oils cover it all. Enriched with vitamins and antioxidants, they effortlessly absorb, leaving your skin, hair, and body naturally soft, hydrated, and radiant. You can always pair them up.

BODY LOTIONS

Our body lotions are a luxurious treat for skin. Expertly formulated, they offer deep hydration and nourishment, leaving skin irresistibly soft. The advanced formula not only tackles dryness on the surface but also works beneath the layers to help achieve supple, smooth and healthy skin that is beautiful from the inside out.

BODY BUTTERS

Specially crafted for dry skin to indulge in deep hydration and intensive nourishment with fragrance-free Body Butter, enriched with shea, cocoa, and natural emollients keeping your skin super moisturized and soft.
